

BELIEVE
OR
NOT?

Convince your partner about the existence of the one of these:

MAGIC, ALIENS, GOD, VAMPIRES, SANTA, GHOSTS

Ask your partner which one she/he **believes** in.

You need to take the **opposite** side.

Your partner has 90 seconds to give 2 to 3 reasons why he/she **believes** in it.

After that, you have 90 seconds to respond to your partner's reasons.

Talk with a confident air.

If your partner's argument convinces you, then award them a point

Purpose: the practice of rebuttal and debate.
